Important Info

- a. Be at Range House at specified time.
- b. Call contractor 8 hours or more in advance to change delivery time.
- c. Vender requests meeting at Range House no earlier than 0900 hours if possible. This allows for all school bus traffic to be off of the road.
- d. Vender can go almost anywhere on Range but we cannot go through road ditches, big mud holes, small trails, etc.

MN ARNG Units: You will contact the Supply & Services Section, Camp Ripley to arrange for chemical latrine usage. (320-616-3130/3128)

Other Units/Organizations: If you have a **MIPR (Military Interdepartmental Purchase Request/ DD Form 448)** in place with Camp Ripley then you will contact the Supply & Services Section at 320-616-3130/3128 and they will get information needed to line up the chemical latrines with the contractor. If you are going to use your **IMPAC card, Credit Card, or check** (which is the preferred method) you would contact the above listed number and make arrangements directly.
